

**Semi-Automatic
Labelling Machine for
round metal, glass and
plastic containers,
suitable for front and
wrap-around labelling.**

Action: Automatically feeds label, applies glue to label and affixes label to your bottle, can or jar. Just place the container in the machine and press the foot-switch.

Cleanning: Place the second tray filled with water in the place of the glue tray. The glue-roller is automatically washed and the machine is ready for use again.

Label approx. approx. 800 containers/hour
Label size max: 190 x 500 mm
Container-Diameter : 50 - 165 mm
Container-Change: 2 - 5 minutes
Glue: cold glue/water-based adhesives
Motor drive adjustable gear motor 230 V.
